

SHAGUFTA

Karachi,indh 75300 | shaggyjessi@gmail.com | [Linkdln](#)

SUMMARY

AI/ML and Data Science professional focused on delivering data-driven insights and impactful results. Proficient in data analysis, machine learning, visualization tools, and modern technologies, building scalable applications using Vibe Coding frameworks. Strong multitasking ability and human behavior analysis skills.

EDUCATION

Bachelor of Science in Computer Science
Sukkur IBA University, Sukkur

Sept 2022 - May 2026

EXPERIENCE

Data Science Intern (Remote) | Arch Technologies

Mar 2025 – Present

Building ML models and preprocessing data for real-world projects.

Collaborating with teams to derive actionable insights using Python and Scikit-learn.

Teacher (Math, Computer, English) | The Educatore's campus

2021 – 2022

Taught multiple subjects, developed lesson plans, and improved student learning outcomes.

TECHNICAL SKILLS

Python (Pandas, NumPy)

ML/AI(Scikit-learn, NLP, IDEs/CLIs)

Visualization(Tableau, Power BI, Matplotlib)

Vibe coding(bolt AI, Lovable)

Tools(Claude code, Sql, aws, streamlit)

Technical Writing(Documentation, reports, and business summaries)

Management (Event coordination)

Human Behavior Analysis

Soft Skills(Communication, problem solving)

PROJECTS

Fake News Detector | Python, Scikit-learn, Streamlit, NLP

Built NLP pipeline classifying 68K+ articles with 99.36% accuracy using TF-IDF & Logistic Regression.

Netflix Content Analysis Dashboard | Python, Pandas, Data Visualization

Analyzed 8,000+ titles revealing 69% movies dominance, top genre, and peak addition month

Sales & Marketing Analytics Dashboard | Python, Pandas, Scikit-learn, Data Visualization

Analyzed 5,000+ transactions, identified revenue drivers, and projected **12% sales growth**.

Handwriting Personality Predictor | Python, Streamlit, OpenCV, scikit-learn

Built real-time app predicting Big Five traits via custom feature extraction algorithms.

LEADERSHIP & ACTIVITIES

Event Organizer | Business Summit, Tech Connect 2024 | Sukkur IBA

Session Lead & Mentor | D-Tech (junior sessions)

Winner | Book Review Competition | Sukkur IBA

Stall Organizer | Rozgaar Mela – DIY Crafts Competition

Certifications: Supervised Learning with scikit-learn, Introduction to Databases for Back-End Development, mastering executive presentations, Introduction to Databases, Programming for Everybody (Getting Started with Python), Programming Foundations with JavaScript, HTML and CSS
